Me and My husband ( Sh. Sunil Kumar) working as teacher in HS UCHAPIND ,ZONE BHADDU, DISTT. KATHUA. We have filled a form for transfer through online mode .My husband's application has been considered in Kathua district under serial no. 185 . But even after my mature stay ( 7 YEARS 5 MONTHS ) My Transfer Application has not been considered the distance from our locality (present resident of Dewal, Billawar) to the school is 25 kms.(one side) . I face many difficulties in commuting and undesirable hindrances in the upbringing and education of my children . So, it's my humble request may be considered and transfer me to a suitable place in zone 4 ,Distt. Kathua , Zone: Bhaddu so that i can take care of my children and family by your Grace.

Whereas vide Notification issued on 13/06/2023 the query raised by you have been carefully scrutinized. Whereas during verification process of your CPIS /Service record, it has been noticed that you have been initially appointed as teacher in Udhampur District and were subsequently transferred to MS Ramkot on reciprocal basis on 21/05/2018. Whereas as per guidelines in transfer policy ATD 2023 the duration of stay considered for different Zones varies and comparing your stay with teachers from different zones is not sustainable. Hence in the light of instructions of higher authorities your request for transfer to Zone 1 and 2 is ~~rejected~~ *not feasible*.

Worthy sir I have been working ss general line teacher at Govt HSS Durang since 10th Aug 2017. Last year I was transferred to Govt Middle School Kalibari. After my transfer from HSS Durang ,I shifted from Billawar to Kathua and admitted my wards at Kathua. But unfortunately that list was kept in abeyance by our new Principal Secretary SE department. As a result of this I have to travel a distance of more than 160 km per day to perform my School duties and there is nobody to look after my kids in my absence because my wife is also serving in the same department and she is also posted at Govt. Middle School Mandli zone 4. This results in great mental pressure on my Children. This year I again applied for my transfer from Zone 4 to Zone 1 & Zone 2 & was hoping for favourable action. But Unfortunately I couldn't find my name in the transfer list of teachers .So I humbly request thysel to consider my genuine request for transfer.
