Annexure-"A"

1. Concept of School Complexes:

The concept of school complexes originated from the Kothari Commission Report (1964-66) and same has been illustrated in Chapter 7 of National Education Policy 2020, the basic concept of which is "Efficient resources and Effective Governance" through school complexes/clusters. It was mooted as an innovation in the school education based on the fact that High and Higher Secondary schools have better laboratory, library facilities and other facilities related to technology and human resource that can be utilized by the primary and middle schools. So a school complex is organized by taking a group of elementary schools, high schools, a training school, a technical school etc. as per convenience, availability and the topography of the area. These institutions shall function cooperatively for the improvement of their educational standards. It will provide equal educational facilities and experiences to all the schools. These school Complexes can get their academic and administrative support from the nodal Secondary/Senior secondary school. The schools falling within the Complex may arrange Curricular, co-curricular activities, give better exposure to their students at the School Complex rather than taking up the matter at block or district level. So the networking of schools in a school complex is expected to facilitate sharing and exchanging of resources and experiences.

Objectives:

- Ensuring adequate number of teachers (shared or otherwise) for teaching all subjects including art, science, sports, languages, vocational subjects, etc., it also includes improved support for children with disabilities; use of ICT tools to conduct virtual classes.
- Adequate resources (shared or otherwise), such as a library, science labs, computer labs, skill labs, arts/crafts events, playgrounds, sports equipment and facilities, etc across school complexes.
- A sense of community is built to overcome the isolation of teachers, students, and schools, through joint professional

Handwritten signature

development programmes, sharing of teaching-learning content, joint content development, holding joint activities such as art and science exhibitions, sports meets, quizzes and debates, and fairs.

- Improved governance of the schooling system by devolving all finer decisions, to Principals, teachers, and other stakeholders within each group of schools and treating such a group of schools, which range from Higher Secondary to primary Schools.
- To ensure Increase in enrollment and prevent dropout/Out Of School Children
- To ensure overall development of learners through various activities and programs.
- To adopt innovative mechanism to group and rationalize schools to facilitate the sharing of resources and render school governance more local effective and efficient by 2025.
- To ensure greater and robust linkages between various stakeholders for academic improvement, improve infrastructure outlook of schools and development of learners through various activities and programs.

2. **School Complex - Organizational Structure thereof.**

1. Joint Director, School Education Department of the concerned district(s) shall be responsible for overall working of the School Complex(s).

2. The Principal of Higher Secondary School shall be the Head of the School Complex and shall be accountable for overall academic activities of the schools in the complex/cluster.

- ***However, in case there are two or more than 2 Higher Secondary Schools in Complex, senior most Principal shall act as Head of the complex.***
- ***If the post of Principal is lying vacant in the Higher Secondary School (of Complex) the Principal assigned with the charge of that school shall act as Head of the complex.***
- ***In case school complex falls in more than one***

zone the complex head shall be competent to deploy the resources/Teachers within the complex.

Role:-

The complex Head shall make rationalization of staff wherever necessary within the complex after seeking permission from the Joint Director, School Education Department concerned as per the following parameters:-

- For schools having enrollment less than 60 the PTR ratio shall be followed with 15:1 in Primary/Middle School and 20:1 in High/Higher Secondary School.
- For schools with enrollment more than 60 there should be at least

02 teachers in each Primary School.

04 teachers in each Middle School.

10-12 teachers in each High School.

15-20 teachers in each Higher Secondary School.

3. Powers of Rationalization:

The power to rationalize the staff is as under:-

S.No	Areas of Rationalization	Powers to be exercised by
1	Inter-Complex but within zone in same district	Joint Director School Education Department in consultation with Chief Education Officer, concerned
2	Inter-zone but with in District	Respective Director

- **Duration of rationalization shall be minimum for 1 month and maximum for three months which**

shall be made by the Head of the Complex and for more than three months, complex head shall submit the proposal to the respective CEOs for approval. The CEO shall approve the rationalization proposal upto 06 months only. For more than 06 months the respective CEO shall submit the proposal to the respective Directorate.

4. Academic Monitoring Committee

Joint Director School Education Department concerned shall monitor all the academic activities through Academic Monitoring Committee which comprise of the following members:-

S.no	Official Designation	Designation in Standing Linkage Committee
1	Principal/Complex Head	Chairman
2	Zonal Education Officer (ZEO)	Member
3	Prominent subject Teachers/Masters from the HS/HSS to be nominated by Complex Head.	Member
4	One DIET teaching faculty to be nominated by Principal DIET.	Expert Member

Role of the Committee:-

- i. To impart academic support to schools and to monitor learning of children by means of schools visits and capture school academic processes in a format to be devised by DSE/SCERT/Samagra called School Academic Tracker through which a School Performance Index (SPI) will be compiled based on Learning Management, Classroom, Culture, Activity Pedagogy, Community Involvement and HOIs involvement. This report to be punched online on

Google doc made for the purpose wherein School, Zone & District reports will be compiled automatically.

- ii. Monthly review committee shall be organized by the concerned cluster head among the committee members for recording and tracking the progress of the academic achievements of the students/academic support provided in the cluster and formulating academic plans thereof.
- iii. The Committee shall also record training needs for the teachers of the cluster and communicate the recommendations to DIETs and also recommend the names of teachers (subject wise) to CEO for undergoing training as per their subject specific needs. Duplication/Repetition of teachers in trainings must be strictly avoided.
- iv. The committee shall analyze the need of subjects within the complex at Sr. secondary level and thereafter recommend the subjects to be prescribed in the Hr. Sec. Schools to CEO concerned.
- v. The Committee shall conduct Academic Inspection of all the schools within the complex by formulating an inspection roster and instructing School HOIs within the school complex to check the schools other than his/her own school. Besides, also inspect examination results of all students within the complex and shall fix the responsibility of examination results on HOIs within the complex.
- vi. Committee shall be responsible to strengthen the relationship in complex through facilitative and coordinated efforts in cooperative manner to improve the quality of education by formulating innovative process for improving methods of teaching-learning and shall formulate a plan to encourage teaching faculty in various schools of the complex to share following school resources on need basis in order to strengthen the complex schools.
 - Affordable and quality education for all.
 - Laboratory equipments/ chemicals.
 - Play grounds and sports equipments.
 - ICT/CAL and any other IT Resources.
 - Libraries and books.
 - Furniture like desks etc.

- Teaching learning material (TLM).
- Academic, Inspirational/ Motivational Audio and Video lectures (Offline/Online).
- Use of technology and Integration.
- Online and Digital Education.
- Promotion of Indian languages, art and culture.

Note: - However, proper stock register should be maintained separated by all schools and exchange of resources if any should be entered properly in stock registers which shall be supervised by Committee.

- vii. Committee shall focus to improve the foundational literacy and numeracy in order to make the Pre- primary and Primary education a qualitative and result oriented and be solely responsible for implementation of all guidelines FLN under NIPUN Bharat and other policies and schemes as introduced by the Govt. of UT of J&K and by the Govt. of India from time to time within the complex.
- viii. The Committee shall ensure to conduct enrollment drives in all schools of complex and ensure that no child shall remain out of school. Besides, School Complex Committee shall also fix the responsibility of HOIs within the Complex for error free data uploading on **Aadharshila** as per the available format by involving ZNOs of Aadharshila through **school login ids** and shall submit the certificate of data updation on monthly basis on or before 25th of every month to complex heads for onward submission to higher authorities.
- ix. At the end of every academic session one of the Elementary Schools shall be judged as the " School of the Year" at Zonal, District and Divisional Level based on School Performance Index (SPI) which will be based on online Academic Monitoring of School Tracking. The online monitoring and punching of results will help us to generate school results besides capturing of other indicators with respect to the Academic Planner and subsequently the schools will accordingly be graded into:-
 - i. Green: (Schools where learning levels are

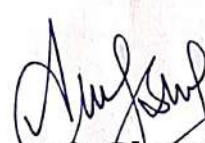

good).

- ii. Yellow: (Schools where learning levels are average).
- iii. Red: (Schools where learning levels below average and need remediation)

5. Respective Directors shall take monthly review of the all Chief Education Officers to review the progress and functioning of these School Complexes.

6. Monitoring of school complexes shall be done through STEER Portal and it shall be the responsibility of the School Complex Heads to ensure that the Data and all details as per the requirement of the STEER Portal are available on the Portal.

7. The Planning shall be done at cluster level and Cluster Development Plans (CDPs) shall be framed. The Plan will include Human resources, Learning resources, Physical resources and infrastructure. The head of the complex shall formulate and submit the plan to the CEO concerned and CEO shall consolidate the plan of all the complex(s) and submit it to the Joint Director, SED, concerned.
